

Billie Holiday

**Tain't Nobody's Bizness If I Do
Them There Eyes
Fine And Mellow
Gee Baby, Ain't I Good to You
God Bless the Child
Good Morning Heartache
Stars Fell On Alabama
You Don't Know What Love Is**

**Comes Love
Darn That Dream
Day In, Day Out
I Cover the Waterfront
I've Got My Love To Keep Me Warm
Lover Man
Remember
She's Funny That Way
Stars Fell on Alabama
Stormy Weather
Solitude
That Ole Devil Called Love
This Year's Kisses
Too Marvelous for Words
Yesterdays
What A Little Moonlight Can Do**

Peggy Lee

**Fever
Goody Goody
Why Don't You Do Right
What's New
The Very Thought Of You**
